Or contact us at **814-863-2873** or email manureexpo@psu.edu

This annual Expo, previously hosted in the mid-west, will be hosted by The Pennsylvania State University and is centrally located in the state on a 55-acre show site with indoor and outdoor exhibit space. This event is supported in part by a consortium of land grant universities and conservation agencies from the northeast, mid-Atlantic, and mid-western regions of the United States.
