

Penn State **Extension**

Attention 4-H Horse Program Contact:

Please consider encouraging your 4-H horse clubs to enter the 2014 State 4-H Horse Show Equine Educational Exhibit Contest. You should have received a letter (via e-mail attachment) intended for distribution to your 4-H Horse Program volunteers. This volunteer letter contains the general contest information, as well as a simple entry form. **Entries are due to me (e-mail, fax, or mail) by October 6th.** Please copy and distribute this information to your volunteers. **Again this year, each county may enter a maximum of three (3) exhibits.** We encourage clubs to cooperate on the exhibits, but counties may determine a method for selecting the three exhibits to be entered if several individuals or clubs are working on exhibits independently. It would be great to see each county represented with at least one entry!

If you have any questions, please feel free to give me a call. Thanks for promoting this opportunity to your clubs!

Sincerely,

Kirsten K. Dubbs
