Dear Friends,

Greetings from the Penn State Dairy Science Club. It is hard to believe the holiday season is just around the corner! We hope you have been safe and healthy during another challenging year. It is yet again that time of year to choose the perfect holiday gift...a [Penn State Dairy Science Club Holiday Cheese box](#). Nothing quite roars “We Are” than a variety of Creamery Cheeses and Spreads. This festive cheese box will help send holiday cheer to all your family and friends across the country with minimum effort on your part, while helping you avoid crowds.

We are excited again this year to work with the Penn State Berkey Creamery to offer our Holiday Cheese Box with three Creamery cheddar cheese varieties, along with their famous Pimento Spread and smooth Cream Cheese. Even more, the cheeses are the Creamery’s NEW “Nittany Cheddars” signature line. This year, the Berkey Creamery will be cutting and packaging cheese and our club members will be involved in packing boxes and filling orders. We want to thank you in advance for your continued support of the Dairy Science Club and our annual Holiday Cheese Sale. We look forward to working with you and want to wish you a wonderful holiday season.

Please note that for your ordering convenience, you can use the attached order form or receive an electronic order form at <http://animalscience.psu.edu> (look for **Cheesebox Sale** under **Upcoming Events** at the left side of the page). **Please also note our final order deadline of Monday, November 29.**
