4-H activities report insid	le hack cover

COVER PHOTO BY PATTY LAMBERT

ompetitive trail riding is a sport that effectively demonstrates horsemanship skills and teamwork between horse and rider. This record book is for 4-H members who want to learn how to select, condition, and prepare a trail horse for participation in a competitive trail ride. You will learn about horses and develop life skills by doing the activities in your 4-H horse project activity guide (4-H Skills for Life, Animal Science Series). You will learn about competitive trail riding by using the Pennsylvania 4-H Competitive Trail Riding Reference Book and by participating in competitive trail riding events.

Objectives

The 4-H Competitive Trail Riding project will help you:

- learn how to select and handle a trail horse
- learn and apply the principles of horse care, conditioning, and management
- learn how to participate in a competitive trail ride
- learn proper rules for trail use with horses
- develop skills for living

Instructions for project record

- 1. Use this record along with your *Pennsylvania 4-H Competitive Trail Riding Reference Book* and Level
 1, 2, or 3 project activity guide.* Keep this record as an annual summary for your Competitive Trail

 Riding project. Keep your records and project reference book together in a notebook.
- 2. Do activities for your level in your project activity guide. Have your project helper sign your guide when you finish an activity.
- 3. Fill out a new record book each year. You may use your reference book and project activity guide for more than one year.
- 4. Write in your record the things you do with your horse or pony. Record all expenditures, including tack, equipment, feed, stable costs, health care, and entry fees. Add more pages if needed.
- 5. Keep records of things you do for the entire year (12 months), even if your club meets for just part of the year.
- 6. Turn in your record book either before the state 4-H Competitive Trail Ride (if you are competing) or at the end of your club's project year (if you do not participate in the state ride).

*4-H Skills for Life Animal Science Series

4-H project plan

Complete this section at the beginning of the project year.

Describe how I will select a horse for competitive trail riding. (Example: compare several horses, talk with professionals or experienced riders, etc.)
Steps I will take to condition my horse for competitive trail riding. (Example: devise and follow a regular training; regularly condition score my horse)
What I want to learn and accomplish.

Project requirements

To complete the 4-H Competitive Trail Riding project, you should:

- 1. Enroll in the project by June 1 of the project year.
- 2. Plan your project with your project helper.
- 3. Obtain, condition, and care for the horse or pony you will use for competitive trail riding. You should do more than one-half of the work required.
- 4. Choose the horse or pony you intend to use as your project animal by June 1. Complete county forms or records for your project animal and submit them to your county extension office by June 1 of the project year.
- 5. Do the learning experiences and achievement program activities for your achievement program level (*4-H Skills for Life*, Animal Science Series).

Refer to the list of learning experiences on page 3 and the list of achievement program activities on page 4 of your project activity guide. We recommend you do three or more learning experiences and seven or more achievement program activities each year. Have your project helper initial the activities and events.

- 6. Complete at least five of the "Horsemanship Skills and Knowledge" activities on page 5 of this record each year.
- 7. Participate in 4-H activities and attend meetings regularly. You should participate in at least one competitive trail riding clinic or ride. This book and your project guide contain lists of activities that may appeal to you. Do the activities that interest you.
- 8. Demonstrate your ability to properly groom, handle, and ride your horse or pony. Your leader or project helper should assign a score in these areas.
- 9. Keep and turn in records for your project.

Horsemanship skills and knowledge

To complete one year of the 4-H Competitive Trail Riding project, you should complete three to five of the following. You may take several years to do them all.

Activity	Completed	Date
Describe or demonstrate 10 safety guidelines for riding, driving, and working around horses.		
2. Identify 15 external parts of the horse (in addition to eyes, ears, nose, head, tail, and foot).		
3. Demonstrate how to properly enter a stall or pasture and how to approach, catch, and release a horse.		
4. Demonstrate how to groom a horse and clean the horse's feet.		
5. Demonstrate how to tie, saddle, bridle, unsaddle, and unbridle a horse properly.		
6. Describe how to clean and take care of tack and equipment. Identify three parts each of a saddle and bridle.		
7. Demonstrate your ability to ride, and explain three common gaits under either English or Western tack.		
8. Name three grain feeds, three types of hay, and three kinds of bedding. Describe how much feed (grain and hay) and water your horse needs each day.		
9. Describe how to determine if a horse is sick or healthy. Describe five things you should do to keep your horse healthy.		
10. Identify and locate at least 25 external parts of the horse.		
11. Describe and identify the location of 10 possible unsoundnesses or blemishes in the horse.		
12. Know what your project horse's "at-rest" pulse rate, respiration rate, and temperature should be.		
13. Name four qualities or traits of a good trail horse.		
14. Name at least six points of good conformation you should look for in a trail horse.		
15. Know the normal pulse and respiration rates of a horse doing light work, medium work, and heavy work.		
16. Know and demonstrate how to take your horse or pony's pulse rate, respiration rate, and temperature.		
17. Know how to devise, construct, and implement a training and conditioning schedule for a competitive trail horse.		
18. Know how to construct and use a stable training and conditioning chart.		
19. Demonstrate how to prepare a horse for trailering.		
20. Demonstrate how to take care of your horse before, during, and after a competitive trail ride.		
21. Describe how to prevent and care for an overheated horse.		

 $\textbf{NOTE:} \ \ Please \ transfer \ this \ information \ to \ your \ next \ year's \ record \ book \ or \ keep \ until \ project \ is \ completed.$

Additional remarks

NOTE: For use in the barn, this table should be made 22 X 28 inches.

Feed Record

Each month, record the amounts and costs or values of grain, hay, salt and minerals, pasture, and other feeds your horse or pony has eaten. Value pasture and homegrown feeds at the current market price.*

	G	Grain	Ĭ	Нау	Salt, r	Salt, minerals	Past	Pasture*	Other feeds*	Total feed cost
Month	Amount (1b)	Cost or value (\$)	Amgunt (lb)	Cost or value (\$)	Amount (Ib)	Cost or value (\$)	Amount (days)	Cost or value (\$)	cost or value (\$)	or value
(Example)†	210	21.00	330	16.50			10	10.00		47.50
January										
February										
March										
April										
May										
June										
July										
August										
September										
October										
November										
December										
								Tot	Total for year	↔

* The price you could have sold them for if your horse or pony had not eaten them.

[†]In the above example, 210 pounds of grain valued at \$21.00 and 330 pounds of hay valued at \$16.50 were fed during the month. The horse spent 10 days (8 hours per day; 240 hours per month) on pasture at a value of \$10.00. No salt, minerals, or other feeds were purchased during this month.

9

Stable Record

Include, by month, the amounts and values of feed and other items.

include, by month, the amounts and values of feed and	uic aiiioui	its allu vaiuos o.	ווככת מוות	ourer recurs.						
Month	Total feed costs*	Bedding (kind and amount)	Cost	Labor (hrs)	Health care	Cost	Farrier	Cost	Total other expenses†	Total cost (month)
(Example)‡	\$47.50	Straw, 400 lbs	\$16.00	09	Dewormer	\$12.00	Reset shoes \$45.00	\$6.50	\$127.00	
January										
February										
March										
April										
May										
June										
July										
August										
September										
October										
November										
December										
								7	Total for year	∨

*Record total feed costs from previous page.

 $\ensuremath{^{\dagger}} \ensuremath{\text{Record}}$ total other expenses from next page.

‡In the above example, total feed costs were \$47.50, and the 400 pounds of straw cost \$16.00. The member spent 60 hours working with his or her horse, bought dewormer for \$12.00, and had his or her horse's shoes reset for \$45.00. Total other expenses were \$6.50. Make an entry only for the month you purchased items, not for the month they were used.

Other Expenses

List costs of supplies, equipment, riding instruction, training, boarding, hauling, registration, photography, entry fees, buying or leasing horse, etc.

Date	Item	Cost (\$)
(Example)*	Brush	6.50
	Total	

 $[\]ensuremath{^{*}}$ In the above example, a brush was purchased for \$6.50.

Project experiences What I did to feed and care for my animal(s): What I did to keep my animal(s) healthy: What I learned this year: Goals I met: Other interesting or unusual activities about my animal(s):

Project story Write a story about your Competitive Trail Riding project experiences. Tell what you did to feed, care for, exercise, condition, train, and groom your horse. Tell about the decisions you made, the goals you met, and the skills you learned or improved. Include interesting or unusual things that happened. Also tell how you taught or helped other people.

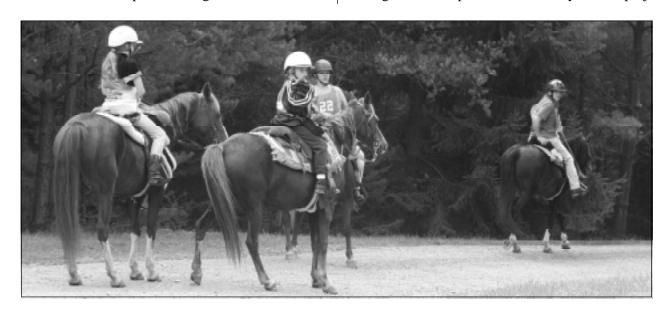

Project photographs		

Project evaluation

Care and management of horse or pony Do animals have clean and suitable housing? Are tack and equipment clean and well-kept? Are animals fed recommended kinds and amounts of feeds? Is fresh water available in proper amounts? Are appropriate procedures being followed to control parasites and maintain health? Do animals show normal condition, including the proper foot care? Are safe and appropriate equipment and facilities being used? Subtotal for care of animals Achievement program (project activity guide) Did the member participate in enough learning experiences for achievement level progress? (Project activity guide, page 3) Did the member complete enough achievement program activities for achievement level progress? (Project activity guide, page 4) Subtotal for achievement program Project record book Is the record neat? Are the plans and goals clearly stated? Are all records and other information correct and complete? Is the 4-H activities report completed? Subtotal for project progress report completed?	3 4 3 4 4 4 25

Other activities you might enjoy

	hese activities are suggested for 4-H members with an hievement program. You may do the others as optional	erest in horsemanship. Some may be part of your ctivities.
_	Help to care for a horse or pony	☐ Attend a horse clinic or workshop
ם	Obtain, care for, and train a horse or pony to ride or drive in performance events	☐ Discuss a topic related to horsemanship with a person with horsemanship experience
_	Train and groom your horse to show at halter. Show it in a grooming and showmanship class	☐ Make and exhibit a poster☐ Make a display or exhibit
۵	Compete in performance events at a 4-H horse show	☐ Take and display pictures of horses or horse even
_	Ride in non-competitive events, such as pleasure trail rides and drill team exhibitions	☐ Give a demonstration, illustrated talk, oral report or speech
⊐	Select, use, and care for tack, supplies, and equipment	☐ Lead a group discussion
_	Make your own show clothing or tack	☐ Teach a skill to another 4-H member
	Identify and classify common feed ingredients and	☐ Teach a lesson at a project meeting
	forage plants	☐ Write a news article or story
_	Evaluate the body condition of your horse. Make feeding adjustments, if needed	☐ Create a slide or video presentation☐ Help with a therapeutic riding program
	Use a computer to keep your project records	☐ Share your horse and knowledge with a 4-H
_	Take riding lessons	member who does not have a horse
⊐	Read a story about horses or horsemanship in a book or magazine	☐ Judge horses or showmanship at a horse judging practice, contest, or show
ے	Watch a video, movie, or slide set about horses or	☐ Participate in a horse bowl practice or contest
	horsemanship	☐ Participate in a hippology practice or contest
ם	Find information and write a report about a topic related to horses or horsemanship	 Organize a skill-a-thon or a hippology, horse bow or judging activity
_	Take a field trip to a farm which trains and shows horses	☐ Organize, lead, or help with a project meeting, event, or activity for your club
\Box	Attend a horse camp or "overnighter"	Organize or help with a community service proje
