Manager of Regulatory Affairs

APC, Inc., a world leader in the manufacture and sale of functional proteins for animal health and nutrition, has an immediate opening for a Manager of Regulatory Affairs at our Corporate Headquarters in Ankeny, Iowa.

The successful candidate will proactively manage the domestic and international regulatory affairs processes to enhance strategic sales opportunities and mitigate business risks. This individual will complete necessary regulatory documents, organize application processes, and lead compliance efforts. A key component of the job will be representing APC with government policy-makers and industry professionals.

APC, Inc. offers an extensive benefits package. Successful completion of a pre-employment physical and drug test required. Interested candidates should forward cover letter and resume to:

Email: applyto@functionalproteins.com

Pfizer Animal Health

Associate Quality Milk Manager
Bakersfield, CA (080252)

The Associate Quality Milk Manager is a proactive mastitis products sales specialist for the Pfizer Animal Health Dairy unit and area they support. You’ll manage a broad geographic area with diverse customer-base to achieve sales targets, provide implementation details and metrics to demonstrate value to customers, and use regular account profiling to identify customer needs and to assess current and future customer growth opportunities. You’ll also build and maintain relationships and influence with key trade channels, including veterinarians, distributors, dealers, extension and university personnel.

Qualifications include a Bachelor's degree, knowledge of mastitis and milk production, and at least one year of cattle-related experience. Candidates must have strong computer skills as well as excellent communication, analysis and decision-making abilities. Bilingualism in English and Spanish is a plus.

Pfizer Animal Health offers a competitive compensation and benefits package. Interested candidates should apply online at www.pfizer.com/careers and search requisition # 080252 or 080254. EOE
