

Select Veal Feeds, Inc. / Marcho Farms, Inc. Inc. a manufacturer of calf milk replacers and the largest integrated veal producer in the Country, is seeking a candidate to service our veal growers in the central Pennsylvania area.

We are a privately owned company with a history of continued growth for 30 years, including our recent acquisition of Provimi Foods, Inc. in WI.

RESPONSIBILITIES:

The position revolves around the following duties and responsibilities:

Advise veal growers on proper calf growing husbandry practices and recognition of early signs of sickness.

Proper use of vaccines and animal health products and ensure adherence to their withdrawal times.

Thorough understanding and implementation of veterinary treatment protocols.

Supervising and educating growers on our feeding program and record keeping.

Certification of growers and their barns to comply with our process verified product regulations.

Monitoring of blood Hemoglobin's on regular basis.

Filling out daily farm visit reports and a weekly report. Interacting with other servicemen on current field problems and solution.

QUALIFICATIONS

B.Sc. in Animal Science or some college education with a strong calf or dairy farm experience.

Any animal husbandry or feed sales experience will be advantageous.

Ability to establish trust and strong working relationship with every grower.

Must be self motivated to spend the necessary time and effort with each grower to achieve the optimal calf performance.
